Drink: 2016 - 2023

Field blend. 12 months in new French oak.

Dark and smudgy round the edges, with deep but soft colour. Finely fragrant aroma that brings together a mineral and peppery dark-fruit sweetness and a gently floral and spicy quality. Extremely supple tannins and unexpected freshness on the finish, even with all this fruit richness. Deep and long and satisfying and a lot more complexity to come. Very good.
